

This is in response to the Commission's letter of April 19, 2007 regarding our campaign committee's failure to include the Credit Union Legislative Action Committee's \$3000 contribution received on 10/21/06 in our 48 hour report for that period. We have reviewed our records and found that although the contribution was entered into the system to be included with the other last minute contributions filed on 10/21/06, it failed to register on the 48 hour report that was filed that date. We have reviewed our procedures for verifying contributions received during the 48 hour reporting period and have implemented new safeguards to ensure that the Commission is notified of all last minute contributions of \$1000 or more.
